## **Information Summary for the Public**

<b>Host Country:</b>	MEXICO
Name of Borrower:	Financiamiento Progresemos SA de CV SOFOM ENR
Project Description:	Expansion of the Borrower's micro loan portfolio in Mexico with new loans
	primarily to women entrepreneurs.
Loan Provided Under	\$10,000,000
<b>OPIC-World Business</b>	
Capital Framework	
Agreement:	
Total Project Cost:	\$10,300,000
U.S. Sponsor:	Grow Brilliant LLC
Foreign Sponsor:	Rafael Moreno Valle Suarez, Kandeo Fund II (M) L.P., Kandeo Spain Latam SLU
U.S. Economic	The Project is not expected to have a negative impact on the U.S. economy, as it
Impact:	involves the provision of financial services to microenterprises and consumers in
	Mexico. U.S. procurement associated with this Project is expected to have a small,
	but positive, impact on U.S. employment. The Project is expected to have a net
	negative effect on the U.S. balance of payments over the first five years.
Developmental	This Project is expected to have a positive developmental impact in Mexico with
Effects:	increased lending to microenterprises and individuals that are underserved. The
	Project will partner with small MFIs across Mexico to target women borrowers and
	reach clients in remote communities where access to finance is limited. According
	to the World Bank, only 26 percent of women had received a loan compared to 33
	percent of men, and only 23 percent of the rural population had received a loan in
	2011. The Project Company also provides technical assistance to partnered MFIs
	to encourage their development and financial consulting directly to borrowers.
	The Project will create several new jobs with benefits and provides support to
Fundament.	local communities through volunteer work and financial contributions.
Environment:	Loans to financial intermediaries for the purpose of consumer, micro-enterprise,
	and SME portfolio expansion are screened as Category C projects under OPIC's environmental and social guidelines, but are subject to conditions related to the
	use of proceeds. Proceeds from OPIC-supported loans will not be used for
	categorically prohibited activities or activities likely to have a significant adverse
	impact on the environment, health, safety, or local communities.
Worker Rights:	OPIC's statutorily required standard worker rights language will be supplemented
Worker Rights:	with provisions concerning the rights of association, organization and collective
	bargaining, minimum age for employment, hours of work, timely payment of
	wages, and hazardous work. Loans to borrowers will be restricted with respect to
	the borrowers' operations, including employment of minors and other applicable
	labor law requirements. The Project will also be required to operate in a manner
	consistent with the requirements of the International Finance Corporation's
	Performance Standard 2 on Labor and Working Conditions. Standard and
	supplemental contract language will be applied to all workers of the Project.
Human Rights:	OPIC issued a human rights clearance for this project on November 4, 2014
